

To: Tennessee Wildlife Resources Commission;  
Tennessee Wildlife Resources Agency; and  
To Whom It May Concern:

WHEREAS, Campbell Outdoor Recreation Association (CORA) has previously requested going forward with Elk Restoration Planning, and;

WHEREAS, Extensive planning has been accomplished, and;

WHEREAS, Disease and parasite control protocols have been carefully planned, and;

WHEREAS, Such controls can be updated as technology improves, and;

WHEREAS, The legitimate concerns of cattlemen and farmers have been, and will continue to be, addressed, and;

WHEREAS, Well attended public meetings in Campbell and Scott Counties, the likely release area for the pilot program, have shown overwhelming public support, now;

THEREFORE, Be it resolved that CORA respectfully requests the Tennessee Wildlife Resources Commission at its October, 2000 regular meeting to authorize and direct the implementation of an Elk Restoration Program on Royal Blue Wildlife Management Area.
